

LICENSING SUB-COMMITTEE – 17 JUNE 2020

Application was made by **ENFIELD COUNCIL'S LICENSING AUTHORITY** for a review of the Premises Licence (LN/201500949) held by **MR ARJAN BORUFI** at the premises known as and situated at **Broomfield Coffee Bar, 64 Aldermans Hill, LONDON, N13 4PP.**

The Licensing Sub-Committee **RESOLVED** that it considers the steps listed below to be appropriate for the promotion of the licensing objectives:

To revoke the licence; HOWEVER, we are prepared to offer the premises licence holder a last chance to demonstrate he can comply with the terms of his licence. On that basis we suspend his licence for 3 months whilst he complies with conditions listed below to the satisfaction of the local authority and on receiving their written confirmation within the three month period the suspension can be lifted allowing them to resume licensable activities.

From the Current Conditions

Condition 13. No bottles or glasses shall be taken off the premises to be removed.

Condition 15: The Local Authority or similar proof of age scheme shall be operated and relevant material shall be displayed at the premises. Only passport, photographic driving licences or ID with the P.A.S.S. logo (Proof of Age Standards Scheme) may be accepted. To be amended to: A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed at the premises.

Additional conditions to be added to the licence:

- i. A noise-limiting device shall be installed to any amplification equipment in use on the premises. The noise-limiting device shall be maintained in effective working order and set to interrupt the electrical supply to any amplifier should the volume of the music be audible at the perimeter of the premises.
- ii. Prior to the commencement of any live/recorded music staff shall check that all amplified equipment to be used is connected to the noise limiter. Records of these checks shall be documented and records kept for 6 months.
- iii. The noise limiter shall be recalibrated annually to ensure that the music volume does not exceed the level at which a noise nuisance to neighbours will occur. A copy of the calibration certificate shall be kept on the premises and made available to the Police or Council Officer on request.
- iv. Speakers shall not be attached to, or located in, the ceiling.
- v. Section 177A of the Licensing Act 2003 does not apply to this premises licence (meaning conditions relating to music must be complied with at all times that the licence is in use).

- vi. To demonstrate that staff training records are up to date to the local authority satisfaction.
- vii. All notices shall be displayed in dual languages (English and Albanian).
- viii. The number of smokers outside of the premise is limited to no more than 4 people.
- ix. There shall be a personal licence holder at the premises at all times when alcohol is sold.
- x. Ashtrays shall be provided outside at all times the premises are open.
- xi. The pavement area outside the premises shall be swept at least every three hours from opening until close of business.

Should the licence holder fail to comply within the three-month suspension period then the licence will be revoked.

Reasons:

The Chairman made the following statement:

“Having read and listened attentively to the written and oral representations, the Licensing Sub-Committee has resolved that the appropriate step to be taken to support the promotion of the licensing objectives is to revoke the licence. The LSC were particularly mindful of the words of Mr Palmer that “his client “deserves to be severely chastised”.

However we were mindful of Mr Edgar’s words about leniency and compassion and therefore the LSC are offering the licence holder a final opportunity to demonstrate he can work within his licence. We have included some of the conditions that were agreed and those that we think the evidence makes necessary.”
