

The signs showing the extent of the PPA will be installed to show that you are entering and exiting the area. These will be in Manor Road, Nunn's Road and Halifax Road. The "Except in signed bays" part allows the existing (and any future) disabled parking bays to continue being used as normal.

Permit prices:

The current annual permit prices are shown below. Permits are free to blue badge holders.

Engine Size (cc)	1000 or less	1001 to 1600	1601 to 1999	2000 to 2499	2500 to 2999	3000 or more	Book of 10 visitor permits
Annual Cost	£55.00	£110.00	£165.00	£220.00	£275.00	£330.00	£15.00

How do I respond to this consultation?

You can either email traffic@enfield.gov.uk or write to the Head of Traffic and Transportation, Civic Centre, Silver Street, Enfield EN1 3XD setting out the grounds for your objection. Alternatively, you can complete our online questionnaire:

Enter "Manor Road PPA" in your search engine or visit Enfield Council's website as follows: www.enfield.gov.uk/consultations then follow the link >>> **Manor Road PPA**

Online responses are limited to one per dwelling. Please enter your full address to help us identify duplicated responses. Entering your name is optional. Your personal details will be kept confidential and managed in accordance with General data protection regulations

What happens next?

The Council will consider your comments and objections, then decide whether or not to make the traffic management orders necessary for the scheme to be implemented. Further information will be provided at the web address given above in due course. Should the scheme go forward, the Council will aim to introduce the new parking restrictions before the end of the year.

Manor Road & Halifax Road Permit Parking Area Consultation

Please
respond by
Wednesday
24th July

This leaflet sets out the Council's proposals for a Permit Parking Area (PPA) in Manor Road and Halifax Road.

The aim is to provide fairer access to on street parking space in the area. The back page gives instructions on how to respond.

Why is this needed?

Residents, shoppers, local businesses and others currently compete for limited on-street parking space in the areas.

Permit controls would offer better balance to local parking arrangements and give priority to residents of Manor Road and Halifax Road.

How will it help?

A PPA is an area where residents are given parking priority over other drivers through a permit system.

Normally resident permit parking schemes have posts and signs and are marked with white parking bays and yellow lines across driveways, as with the nearby Enfield Town Controlled Parking Zone (CPZ). However, in small areas where there is little through traffic a Permit Parking Area (PPA) provides a better solution for residents. PPAs consist of just signs located at all entry points, no other markings or signs are provided. This enables residents, should they wish, to park in front of their own driveway and results in less street clutter.

In light of these benefits, and taking previous consultation responses into account, we are now proposing a PPA for Manor Road and Halifax Road, operating Monday to Saturday 8am to 6:30pm. Permits will be specific to this area and will not be valid in the adjoining Enfield Town CPZ, and vice versa.

This consultation provides you with the opportunity to make objections to the traffic management orders that need to be made if the scheme is to be introduced.
