Name and address of premises: Polonezz, 14 Green Lanes,
London, N13 6JR

Type of Application: New Premises Licence

I certify that I have considered the application shown above and **I wish to make representations** that the likely effect of the grant of the application is detrimental to the Council's Licensing Objectives for the following reasons:

This is a new application for a mini market to provide licensable activities as detailed below:

Activity	Proposed Times
Supply of Alcohol (off)	08:00 – 21:00 Mon – Sat 09:00 – 20:00 Sun
Opening hours	As above

This premises has been licensed for the sale of alcohol previously – 09:00 – 20:00 Mon – Sat, 10:00 – 19:00 Sun. That previous licence was revoked on 18/03/2020 following the discovery of non-duty paid alcohol and cigarettes on the premises on more than one occasion.

This application has been submitted in the name of an individual, namely Piotr Swis. The proposed DPS is: Izabela Kuziola Personal licence number 13/00178/LIPERS. A Company House check shows that the applicant – Piotr Tomasz Swis is the Director of a company called Polonez Limited.

The previous licence was held by: Polonez Limited. Company Number 09302439. The DPS was Izabella Kuziola. Despite the slightly different spelling of their first name the personal licence number is the same as the previous DPS 13/00178/LIPERS.

I wish to make representation on the following:

- **Prevention of Crime and Disorder**

This application was submitted only 5 months after a premises licence for the same business was revoked. The review pack can be viewed on Enfield Council's website: <http://governance.enfield.gov.uk/ieListDocuments.aspx?CIId=217&MIId=13326&Ver=4>

This application is for longer hours than the previous licence and offers less conditions than the previous licence. Although the application has been made by an individual rather than by the company it is clear that the business is being run by the same company and the same DPS is proposed.

The links the previous licence holder and the repeated non-duty paid seizures made whilst they held a premises licence along with the fact that this applicant is proposing

the same DSP leads the Licensing Authority to have no confidence in the applicant and to object to this application in its entirety.

If the Licensing Committee is minded to grant the licence in full or part the Licensing Authority recommends that the following conditions be attached to the licence in order to fully promote the licensing objectives:

- All staff shall receive induction and refresher training (at least every three months) relating to the sale of alcohol and the times and conditions of the premises licence.
- All training relating to the sale of alcohol and the times and conditions of the premises licence shall be documented and records kept at the premises. These records shall be made available to the Police and/or Local Authority upon request and shall be kept for at least one year.
- A 'Think 25' proof of age scheme shall be operated and relevant material shall be displayed at the premises.
- A written record of refused sales shall be kept on the premises and completed when necessary. This record shall be made available to Police and/or the Local Authority upon request and shall be kept for at least one year from the date of the last entry.
- Prominent, clear and legible notices shall be displayed at all public exits from the premises requesting customers respect the needs of local residents and leave the premises and area quietly. These notices shall be positioned at eye level and in a location where those leaving the premises can read them.
- Only the Premises Licence Holder or Designated Premises Supervisor shall purchase alcohol and / or tobacco stock.
- Alcohol and tobacco stock shall only be purchased from registered wholesalers.
- The premises licence holder shall ensure that all receipts for goods bought are kept together in a file or folder as evidence that they have been brought into the UK through legal channels. Receipts shall show the following details: (1) Seller's name and address; (2) Seller's company details, if applicable; (3) Seller's VAT details, if applicable. Copies of these documents shall be retained for no less than 12 months and shall be made available to police or authorised officers of the council on request within five working days of the request. The most recent three months' worth of receipts shall be kept on the premises and made available to the police or authorised officers of the council on request.
- All tobacco products which are not on the tobacco display shall be stored in a container clearly marked 'Tobacco Stock'. This container shall be kept within the store room or behind the sales counter.
- Tobacco products shall only be taken from the tobacco display behind the sales counter in order to make a sale.
- The Premises Licence Holder shall sign an undertaking stating that they have fully checked the premises to ensure that there are no non-duty paid goods on site prior to the use of the new licence.
- A personal licence holder shall be present on the premises and supervise the sale of alcohol, throughout the permitted hours for the sale of alcohol.

The Licensing Authority would also recommend that a different person be named as the DPS.

I reserve the right to provide further information to support this representation.

If these conditions were accepted in full I WOULD NOT withdraw my representation.
