

## **PUBLICATION OF DECISION LIST NUMBER 22/20-21**

### **MUNICIPAL YEAR 2020/21**

Date Published: 27 October 2020

This document lists the Decisions that have been taken by the Council, which require publication in accordance with the Local Government Act 2000. The list covers Key, Non-Key, Council and Urgent Decisions. The list specifies those decisions, which are eligible for call-in and the date by which they must be called-in.

A valid request for call-in is one which is submitted (on the form provided) to the Governance and Scrutiny Team in writing within 5 working days of the date of publication of the decision by at least 7 Members of the Council.

Additional copies of the call-in request form are available from the Governance and Scrutiny Team.

If you have any queries or wish to obtain further report information or information on a decision, please refer to:

**DECISION**

**AGREED** subject to no call in being received:

1. That the design shown at Appendix A is implemented on a trial basis and the necessary experimental traffic orders made.
2. That a consultation is launched shortly after implementation to gather feedback on how the trial is working in practice.
3. That delegated authority be given to the Director of Environment & Operational Services to make any appropriate amendments to the trial following feedback and monitoring.
4. That following the trial period, a further report for the Cabinet Member for Environment and Sustainability is produced to determine whether the trial is removed or made permanent.

**ALTERNATIVE OPTIONS CONSIDERED**

1. Do nothing - This is not recommended as this project is a key part of delivering climate change and health & wellbeing objectives.

**REASONS FOR RECOMMENDATIONS**

The proposals described at Appendix A will enable the implementation of a cycle route between A1010S and North Middlesex Hospital. As part of the national response to the Covid-19 pandemic, the Government are encouraging walking and cycling projects like this proposal to be accelerated, as capacity on public transport is suppressed owing to social distancing. These projects can help lead to a green recovery, enabling more people to walk and cycle.

**BACKGROUND**

Please note that a copy of the Part 1 report is available on the Council's democracy pages.
