

## London Borough of Enfield

### General Purposes Committee

14 January 2021

---

**Subject:** Corporate, Brexit and COVID-19 Risk Register Updates

**Cabinet Member:** N/A

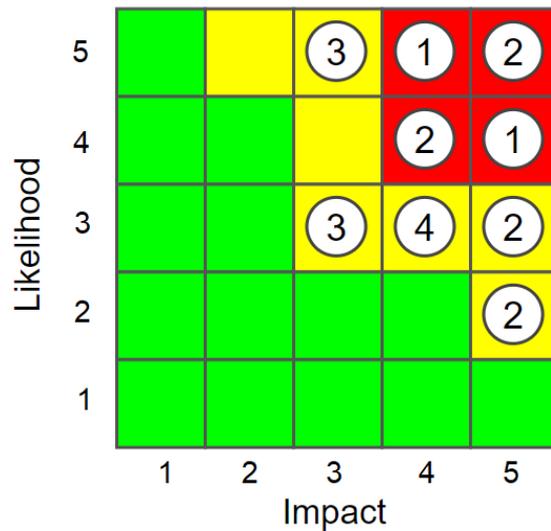

**Executive Director:** Ian Davis, Chief Executive

**Key Decision:** N/A

---

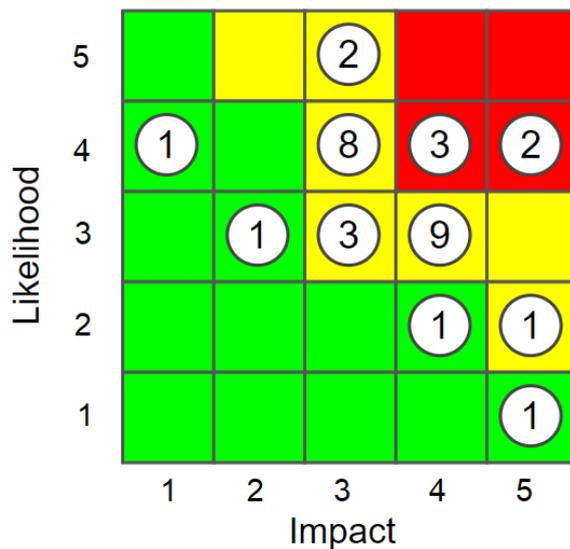

### Purpose of Report

- 1 This report presents the revised Corporate Risk Register, COVID-19 Risk Register and Brexit Risk Register.
- 2 As we continually seek to improve Risk Management within the Council, we have begun the transition of moving risk registers onto the Councils' Risk Management System (Pentana).
- 3 Advantages of doing this include monitoring and reporting as well as allowing improved analysis of risks across the Council. This is reflected with the addition of a new column on the Brexit and Covid-19 Risk Registers identifying where risks are linked between the risk registers and the Corporate Risk Register.
- 4 As a result of this transition and the addition of the linked risks column, the risk registers in appendix A, B & C have a slightly different layout; however, all information previously presented has been maintained.
- 5 Another advantage of using Pentana, is that we are now able to include heat maps in this report. The heat map is a visual representation of a risk register, where each risk is shown in the box corresponding to its likelihood and impact score. The numbers in the heat map represent how many risks have a particular risk score.
- 6 Further improvements achieved through use of this system will be reported at future General Purposes Committee meetings.
- 7 The Corporate Risk Register has been circulated for review by Departmental Management Teams (DMTs) and the Executive Management Team (EMT) and has been updated accordingly
- 8 A summary of the risks on the **Corporate Risk Register** are shown in the heat map below and full details can be found in Appendix A.

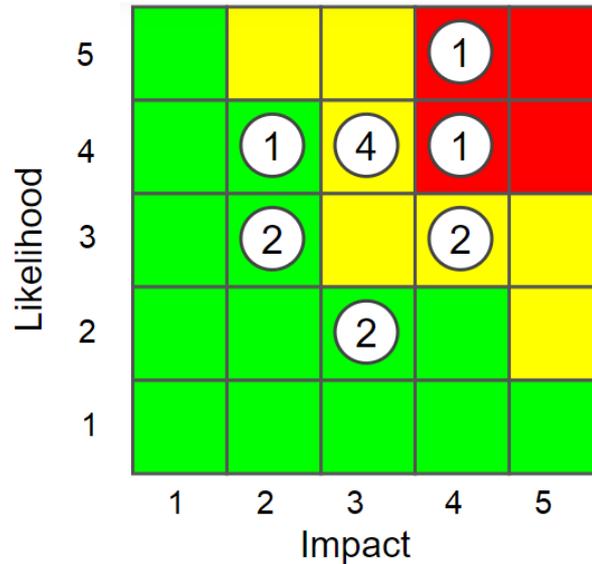

By way of illustration, the figure of 2 in the top right hand corner shows that the Corporate Risk Register has two high risks each with a total risk score of 25 (a Likelihood score of 5 and an Impact score of 5).

- 9 The COVID-19 Risk Register has been developed with the Council’s COVID-19 Recovery Group and Silver and has been circulated to both groups for review and update
- 10 A summary of the risks on the **Covid-19 Risk Register** are shown in the heat map below and full details can be found in Appendix B.

- 11 The Brexit Risk Register has been circulated for review to the Brexit Panel and has been updated accordingly

12 A summary of the risks on the **Brexit Risk Register** are shown in the heat map below and full details can be found in Appendix C.

13 Comments made by the General Purposes Committee at the last meeting have been considered by the relevant officers and the risk registers have been updated accordingly. However, no changes to risk scores have been made.

**Proposal**

14 The General Purposes Committee is requested to note and provide comment on the risks recorded in the:

- Corporate Risk Register
- COVID-19 Risk Register
- Brexit Risk Register

**Reason for Proposal**

15 The Council’s Risk Management Strategy requires the regular review of the Council’s risk registers. In accordance with the Strategy, the General Purposes Committee is responsible for monitoring the effective development and operation of risk management in the Council. Therefore, the Corporate Risk Register, COVID-19 Risk Register and the Brexit Risk Register are presented to the Committee for review and comment.

**Relevance to the Council’s Plan**

**Good Homes in Well-Connected Neighbourhoods**

16 An effective Audit and Risk Management Service helps to provide assurance over any risks that might adversely affect the delivery of good homes in well-connected neighbourhoods.

## **Safe, Healthy and Confident Communities**

17 An effective Audit and Risk Management Service is an essential management tool which will help the Council achieve its objectives to sustain safe, healthy and confident communities.

## **An Economy that Works for Everyone**

18 An effective Audit and Risk Management Service will help the Council achieve its objectives in building a local economy that works for everyone.

## **Background**

19 The Council's Risk Management Strategy allows for the regular review of the risks the Council faces.

20 In accordance with the Strategy, the General Purposes Committee is responsible for monitoring the effective development and operation of risk management in the Council.

21 Therefore, the Corporate Risk Register (Appendix A,) the COVID-19 Risk Register (Appendix B) and the Brexit Risk Register (Appendix C) are presented to the Committee for review and comment.

22 The nature of the risks on the Corporate Risk Register means responsibility and ownership overlap with various departments within the Council. For simplicity, each risk has been allocated a lead department, however this does not absolve other Departments from responsibility.

23 The Risk Management Team continues to provide oversight, challenge and advice to departments regarding effective risk mitigation and governance.

## **Main Considerations for the Council**

24 Any large complex organisation needs to have a well-established and systematic risk management framework in place to identify and mitigate risks it may face.

25 The Audit and Risk Management Service supports management in the identification and mitigation of risks as part of its work.

## **Safeguarding Implications**

26 There are no safeguarding implications arising directly from this update from the Audit and Risk Management Service.

## **Public Health Implications**

27 Whilst the risk registers are produced to identify risks to Public Health (among other issues) and enable preventative action to be undertaken, there are no

Public Health implications arising directly from this update from the Audit and Risk Management Service.

### **Equalities Impact of the Proposal**

28 Corporate advice has been sought regarding equalities and an agreement has been reached that it is not relevant or proportionate to carry out an equalities impact assessment/analysis for this report.

### **Environmental and Climate Change Considerations**

29 One of the additional corporate risks (CR19) which is now being recognised is in relation to Climate Change, specifically that climate change and severe weather events may result in a disruption to delivery of services across the Council. It is recognised that a key mitigation will be delivery of the Council's recently adopted Climate Action Plan, which includes a range of actions as well as targets for monitoring progress.

### **Risks that may arise if the proposed decision and related work is not taken**

30 Any large complex organisation needs to have a well-established and systematic risk management framework in place to identify and mitigate risks it may face.

31 The Audit and Risk Management Service supports management in the identification and mitigation of risks as part of its work and therefore, if this work is not carried out, reviewed and followed up, the Council faces the risk of legal, financial and reputational loss.

### **Risks that may arise if the proposed decision is taken and actions that will be taken to manage these risks**

32 N/A

### **Financial Implications**

33 There are no specific financial implications related to this report.

### **Legal Implications**

34 There are no specific legal implications related to this report.

### **Workforce Implications**

35 There are no specific workforce implications related to this report.

### **Property Implications**

36 There are no property implications arising related to this report

## **Other Implications**

37 N/A

## **Options Considered**

38 It is generally accepted best practice that a Council's key risks are regularly reviewed by senior stakeholders, therefore no alternative options have been considered

## **Conclusions**

39 The General Purposes Committee is requested to note and provide comment on the risks recorded in the Corporate Risk Register, the COVID-19 Risk Register and the Brexit Risk Register.

16-25	High	Escalate	Monthly	

## Key to Linked Risks

Linked Risk	Risk Register
CR	Corporate Risk Register
CV	Covid-19 Risk Register
BR	Brexit Risk Register

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
<p><b>CR01 - Budget Management</b> If the Council's financial position is adversely affected by external factors (including; Brexit, economic downturn, political change, and change to the funding framework etc) then this could affect service delivery.</p>		<ul style="list-style-type: none"> <li>- Monthly reporting and forecasts reviewed by senior management</li> <li>- Budget Pressures board set up</li> <li>- Regular reporting to EMT &amp; Cabinet</li> <li>- Monitoring of the Council Tax and Business Rates tax base</li> <li>- Contingencies/reserves reviewed annually</li> <li>- Forward planning</li> <li>- Brexit Panel in operation</li> <li>- 5-year MTFP, 10-year capital programme and treasury strategy</li> </ul>		<ul style="list-style-type: none"> <li>- Ongoing review of adequacy reserves</li> <li>- Fair Funding Review</li> <li>- Keeping up-to-date</li> </ul>	Resources	<ul style="list-style-type: none"> <li>- This risk continues to remain high and we estimate that our comprehensive response to the COVID-19 crisis including ongoing support for our residents and businesses will cost the Council approximately £68m in 2020/21 and increase the 2021/22 budget gap by £16m to over £30m. Grant funding to support this position has been received however, there remains a 2020/21 budget gap of £19.2m which consists of the Collection Fund.</li> <li>- This is an ongoing forecast and the total impact will continue to be updated. Enfield Council's position is broadly equivalent to most other councils in London, we have neither incurred higher than expected costs or experienced excess loss of income. The financial position will continue to be monitored to ensure our fiscal management continues to be robust and responsible.</li> <li>- As part of this responsible approach to fiscal management we still aim to deliver the budget savings agreed in February for 2020/21 which will include some staff restructures planned before the pandemic and unrelated to the crisis.</li> </ul>

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
						- Details on the financial impact of COVID-19 were provided to Cabinet in May 2020 and subsequently updated as part of the quarterly budget monitoring reports.
<b>CR02 - Failure to maximise income</b> If income (all included traded, council tax, grants) is not maximised, then this could lead to financial pressures and an inability to deliver services. Failure to collect invoiced income.		<ul style="list-style-type: none"> <li>- Dedicated Commercial team focussed on supporting services on maximising income</li> <li>- Targets and KPIs regularly monitored</li> <li>- Benchmarking fees and charges with other LAs</li> <li>- Commercial pipeline</li> </ul>		<ul style="list-style-type: none"> <li>- Delivering the Payment Programme to make paying easier, more accessible and efficient.</li> <li>- Delivering functionality to issue electronic debt reminder notifications to recover ASH Sundry debt.</li> <li>- Implementation of commercial microsite and new CRM/CMS platform to facilitate payment upfront and booking capability for seamless delivery of services and better customer experience (Customer Experience Programme).</li> <li>- Improve understanding of traded services income and expenditure.</li> <li>- Development of a debt prevention and recovery strategy</li> </ul>	Resources	<ul style="list-style-type: none"> <li>- This risk continues to remain medium although the following work has been undertaken:</li> <li>- A Traded Services Forum meeting took place to support upskilling of colleagues across the council.</li> <li>- Work is continuing with the Commercial Team to look at opportunities to increase income.</li> <li>- The CRM and CMS projects are on track to deliver the minimum viable product (phase 1) by June 21.</li> </ul> <p>The Fair Debt and Income Board (first meeting November 20) is developing action plans to deliver each of the 7 objectives if the strategy – from income maximisation and debt reduction, to supporting vulnerable people and protecting the public purse.</p>
<b>CR03 - Fraud/Corruption</b> If there are ineffective internal controls and governance arrangements in place this could lead to the Council being subjected to an incident of organised or high value fraud, bribery and/or corruption, resulting in financial and reputational loss.		<ul style="list-style-type: none"> <li>- Fraud awareness training</li> <li>- Whistleblowing policy</li> <li>- Anti-Fraud strategy and action plan</li> <li>- Reporting to GPC/EMT - Pursue maximum sanctions in line with policy and regulations</li> <li>- Adequately resourced and qualified internal audit and anti-fraud service</li> <li>- Annual review of anti-fraud policies and procedures</li> <li>- Annual audit plan and</li> </ul>		<ul style="list-style-type: none"> <li>- Participation in anti-fraud exercises, including the National Fraud Initiative and a data matching pilot lead by Cifas.</li> <li>- Development of apprentices to enable succession planning within the team.</li> <li>- Improved Fraud Awareness eLearning module now available.</li> <li>- Participating in pilot exercise to share financial fraud intelligence with financial institutions.</li> <li>- Dedicated Counter Fraud</li> </ul>	Chief Executives	<ul style="list-style-type: none"> <li>- We recognise that there is an inherently high risk and likelihood of fraud in emergency management situations, primarily due to the decrease in the levels of staffing, redeployment of staff to new areas and the difficulty that services may have in delivering services which will lead to temporary changes in the control environment. We have been mitigating this risk by:</li> <li>- Contacting Heads of Service to highlight increased fraud risks, and planning to work with HoS colleagues to develop a new Corporate Fraud Risk Register;</li> </ul>

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
		implementation of recommendations - Ongoing rigour to ensure that audit actions are implemented in a timely way		support being provided to Housing Assessment & Advice Team. - Continue to carry out pre-award assurance checks for the Small Business Grant Fund scheme. - Promote proportionate use of internal controls, working with Heads of Service via our risk assurance framework.		- Undertaking targeted post-event assurance checks on Small Business Grant Fund payments, and helping to verify payments due during the second lockdown period; - Seconding a Fraud Investigator to supervise the Test and Trace Support Payment Scheme; Undertaking a proactive exercise with Audit colleagues during Q4 to identify purchasing anomalies during COVID-19; - Establishing a working group of schools' staff to raise awareness of fraud in schools, and will be providing a refreshed eLearning package; - Delivering five online fraud awareness sessions to 200 staff as part of International Fraud Awareness Week and producing a video to highlight heightened fraud risks during the pandemic.
<b>CR04 - Information Governance</b> If there are inadequate security controls and/or staff training, then this could lead to a loss, corruption, disclosure or breach of data, resulting in reputational damage, legal action and/or fines due to non-compliance with Data Protection / GDPR / PCI legislation		- Data Protection Officer (DPO) in place - Mandatory E-Learning for all staff - Acceptable use policy in place - FOI team in place with regular monitor of responses - IGB board in place - Regular reminders sent to staff - Cyclical audit of governance arrangement. - Implement recommendations from GDPR internal Audit which took place in 2018/2019.		- Communication and implementation of clear desk policy, security measures and access control - Embedding of Information Governance culture and best practice - Communicating procedures for reporting breaches	Chief Executives	- FOIA internal audit for 2019/2020 complete and draft report presented to HOLS and Manager of CAIT. Audit complete - Reasonable assurance given - Clarity of retention policies and communication with all staff will be picked up by DPO in workshops. HR are also now on IGB board and are picking up information governance training issues corporately. - Communication of the right of erasure (right to be forgotten) to all staff will be picked up by DPO. - More control of documentation is being taken forward by the Data quality project IGB have completed annual review of policies - IGB have reviewed the terms of reference to strengthen data governance and reporting lines. The SIRO and HOLS have undergone SIRO training to better understand the role. - New risks around disclosure of personal data due to COVID-19 measures are being managed by documenting legal basis for sharing,

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
						discussion at IGB and data sharing agreements, where appropriate. This is an area which needs to be kept under close review.
<p><b>CR05 – Duty of Care</b> If the Council fails in its statutory duties to Adults &amp; Children within the borough, this could result in potential harm to individuals / families, potential legal challenges and reputational damage.</p>		<ul style="list-style-type: none"> <li>- Safeguarding procedures</li> <li>- Policies</li> <li>- DBS checks for staff and volunteers</li> <li>- Performance monitoring of contractors/partners</li> <li>- Multi-Agency Safeguarding Hubs</li> <li>- Adults &amp; children’s services combined under one directorate</li> <li>- Internal audit and quality assurance processes</li> <li>- Risk management panel</li> <li>- Complaints &amp; compliments system</li> <li>- Assurance Board</li> </ul>		<ul style="list-style-type: none"> <li>- Planned programme of audits covering children and adults safeguarding</li> <li>- External Inspections (Internal controls help to manage and reduce risk, but risk cannot be eliminated from this area of work)</li> </ul>	People	<p>Safeguarding - Adults, Internal Audits for 2020-21</p> <ul style="list-style-type: none"> <li>- Mental Health Act 1983 –AMHP</li> <li>- Eclipse Access Controls</li> </ul> <p>Safeguarding – Children, Internal Audit for 2020-21</p> <ul style="list-style-type: none"> <li>- Unregulated Providers</li> <li>- Disproportionality in Out of Court Disposals</li> <li>- Troubled Family Grants</li> </ul> <p>-COVID-19 will impact on the Council’s ability to meet statutory regulations in Adults Social Care, Children’s Social Care and Education SEN. Government has given Local Authorities guidance on easements for delivery of services. DMT is recording all non-compliance issues for statutory regulations and reporting to Gold.</p>
<p><b>CR06 - Customer Demand</b> If demand changes (due to changes in population, changing demographics, Brexit, political etc.) then this could result in an inability to meet service delivery No Deal Brexit likely to have a significant impact on the construction sector and increase in homelessness and people with no recourse to public funds If there is a failure to deliver the homelessness prevention strategy, then this will result in increased levels of homelessness and user demand for council services and temporary accommodation</p>		<ul style="list-style-type: none"> <li>- Brexit panel</li> <li>- Eligibility criteria for services</li> <li>- Making Every Contact Count (MECC) for staff</li> <li>- Services are focussed on early help and enablement to prevent escalation of need</li> <li>- MyLife Portal &amp; Eclipse implementation complete Nov 20 (HASC Transformation Programme)</li> <li>- Development of the Children’s Portal (Children’s Transformation Programme)</li> <li>- Models of social work practice</li> <li>- Smoking cessation</li> <li>- Sexual health</li> <li>- Substance misuse services</li> </ul>		<ul style="list-style-type: none"> <li>- Predictive analytics</li> <li>- Increasing SEN Places in the borough</li> <li>- Monitor the housing market</li> <li>- Improve self-serve options for customers</li> <li>- Build capacity in customers to resolve issues</li> <li>- New homelessness prevention service model and Board</li> <li>- New Community Solutions Hub and Project (Customer Experience Programme) addressing demand failure and prevention.</li> </ul>	People; Place	<ul style="list-style-type: none"> <li>- MECC training for 500 staff commenced in August 2019.</li> <li>- The department continues to monitor closely SEND numbers and future plan for schools’ places to meet need; and ensure that the planned projects are completed to time to meet pupil need.</li> <li>- MyLife is available and continues to be developed</li> <li>- The Children’s Portal (Children’s Transformation Programme) was launched during July 2019 and continues to assist professionals and the public to make the right referral for either family support or child protection. The information advice and guidance section will assist professionals to sign post and the public to self-serve.</li> <li>- New homelessness service model in</li> </ul>

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
		<ul style="list-style-type: none"> <li>- There were 203 additional places opened in September 2019 in Special Schools and 57 additional places in mainstream schools run by special schools.</li> </ul>				<p>development</p> <ul style="list-style-type: none"> <li>- The Community Hub Solutions model is a project currently under development within the Customer Experience Programme to address demand failure and prevention.</li> <li>- MyLife &amp; Eclipse Projects (HASC Transformation Programme) - enabling clients to help themselves via the MyLife Portal and implementation of a new case management system that allows our specialist teams to focus and spend more time with the service users (Eclipse).</li> </ul> <p>In response to the national increase in domestic abuse referrals during the COVID-19 lockdown period, a Domestic Abuse multi-agency hub has been set up to enhance the service to support victims. The new Domestic Abuse Hub strengthens current arrangements and will help in responding to concerns quickly to reduce risks and ensure the safety of children and vulnerable adults.</p>
<p><b>CR07 - Loss of IT</b> Failure of the Councils ICT and/or Digital systems (due to cyber-attack, hardware failure etc..) will lead to a severe disruption of service delivery.</p>		<ul style="list-style-type: none"> <li>- Regular audits</li> <li>- Acceptable use policy and cyber security</li> <li>- Mandatory staff E-Learning on Acceptable use policy and cyber security policy</li> <li>- Business continuity plan in place and to be reviewed regularly.</li> <li>- Resilient infrastructure e.g. backup, Data servers</li> <li>- Data recovery service in place</li> </ul>		<ul style="list-style-type: none"> <li>- Ongoing improvement of the infrastructure Resilience through the delivery of the infrastructure programme.</li> <li>- Complete the new device rollout programme and ongoing hardware refresh</li> <li>- Complete the IT restructure and recruitment, building a procurement and contract management capability to manage supplier relationships effectively.</li> </ul>	Resources	<ul style="list-style-type: none"> <li>- This risk continues to remain medium although the following work has been undertaken:</li> <li>- Actions continue to be progressed on the infrastructure programme. In Q3 we will be complete replacing end-of-life equipment in our on-site server room. Our network will be upgraded by March 2020.</li> <li>- We have conducted Inter and External penetration tests and the result highlighted a high number of vulnerabilities in the Inter test and low number in the External test.</li> <li>- Remediation Programme has been developed and we are in procurement process for remedial work to resolve all outstanding security risks</li> <li>- Cyber security training which is mandatory – need for staff to be more aware, IGB to raise awareness; Senior Leadership Network update for all Heads of Service was delivered on</li> </ul>

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
						12/09/19. - Customer Experience Programme has a project in delivery and on track to support the existing CRM platform should this be required as a contingency (Microsoft Global Upgrade)
<b>CR08 – Business Continuity</b> If the Council is subject to a significant event that causes business interruption and fails to respond adequately, then this could lead to significant financial loss and disruption of services.		- Business Continuity Management Board - Training - Adequate Insurance in place - Corporate business continuity plan in place - Departmental business continuity plans in place		- Department & Service BC Plans are constantly being updated and reviewed during COVID-19 - Corporate Services and Department will be encouraged to review existing plans once lessons learnt during COVID-19 are available.	Chief Executives	- The EP Team are supporting departments as needed - Ensuring critical teams are continuing to maintain appropriate services - Departments are required to complete weekly SitReps which are shared with the Council's Silver and Gold Groups - Critical Service Leads are required to update the BC SitRep as and when needed - Email has gone out to all service leads that have identified they use external providers/contractors requesting they make contact with them and confirm that they are still able to provide a service after the UK leaves the EU. - Email has gone out to all critical services to find out if there is a need for stockpiling of resources/materials due to Brexit.
<b>CR09 – Emergency Incident</b> If there is a failure to respond adequately following a major incident within the borough that adversely affects residents / businesses, then this may result in significant reputational damage.		- Staff are adequately trained to respond - Staff volunteers to assist in responding - Out of hours response team - Incident management policies - Additional officers has led to an increase in resilience within the EP team		-Strategic Training with the Emergency Planning College – 3 Golds and 2 members of EP Team have received training. The remaining two Golds and EPO will be attending the EPC in January 2021 -Tactical Training with the Emergency Planning College was postponed in May 2020 due to Covid a new date will be arranged for all Council Silvers for 2021	Chief Executives	- London Standardisation Training has taken place, all teams are fully staffed. - The Emergency Response Management Teams consists of 9 teams and each team consist of 10 officers which includes the Council Gold - During the COVID-19 response the EMRT will continue as BAU, with a dynamic approach. - Communications Team, EP Team and Council Golds have received Crisis Communications Training which was held by the Emergency Planning College
<b>CR09A – Coronavirus</b> An outbreak could lead to a significant number of people		- Flu plan tested in a multi-agency exercise last year - Business continuity plans in		- Continue to monitor and disseminate information from relevant agencies.	People	- The UK is extremely well prepared for any potential outbreak of an infectious disease – we are one of the first countries in the world to have

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
<p>being infected within a short period of time. This could lead to severe consequences including; - Deaths to vulnerable people - Overload on Adult Social care service - Severe disruptions to services - Staff shortages</p>		<p>place and being reviewed by all departments</p>		<p>- LRF meeting 11/2/20</p>		<p>developed a test for the new virus and a team of public health experts has been established in Heathrow Airport to support anyone travelling in from abroad who feels unwell.  - The Council has prepared for an increase in cases and just last year the Council's pandemic flu plan was tested in a multi-agency exercise.  - As part of the Customer Experience programme, Face to Face customer access is being moved to flagship libraries enabling our most vulnerable customers to receive assistance nearer their homes. This will be conducted observing the social distancing measures,  - Enfield's Local Outbreak Plan has been approved and is maintained and updated by members of the Local Authority Outbreak Control Team (OCT).  - The Council has set up a weekly Public Health Strategic Management Group to review coronavirus data. This ensures the Council maintains a strategic overview of the situation and can agree action as and when necessary</p>
<p><b>CR10 – Health &amp; Safety</b>  If there is an avoidable incident affecting staff / public / tenants (residential &amp; commercial) then this could lead to injury/death, legal challenge and reputational damage. If we do not comply with H&amp;S requirements for buildings, then this could lead to injury/death, regulatory enforcement action and reputational damage.</p>		<ul style="list-style-type: none"> <li>- H&amp;S Procedures</li> <li>- Training / E-learning</li> <li>- Occupational Health provider</li> <li>- Corporate Landlord responsibilities</li> <li>- Housing</li> <li>- Cladding / Smoke alarms</li> <li>- Electric / Gas safety</li> <li>- Highway maintenance</li> <li>- Winter Maintenance plan</li> <li>- Grounds Maintenance</li> <li>- Waste Collection</li> <li>- Asbestos awareness</li> <li>- Security/access to buildings and schools</li> </ul>		<ul style="list-style-type: none"> <li>- Regular reports to Corporate H&amp;S Committee and Assurance Board</li> <li>- Ensuring works comply with legislation, codes of practice and contracts are performance managed</li> <li>- H&amp;S to be included in decision making when setting budgets for 20/21</li> </ul>	<p>Place</p>	<ul style="list-style-type: none"> <li>- Risk rating revised from High to Medium</li> <li>- Corporate policies and processes in place to effectively manage the council's operations</li> <li>- Robust risk management systems are in place to control operational risks</li> <li>- Corporate training programmes are in place to ensure staff have the skills and knowledge required to operate safely and mitigate risk to relevant persons</li> <li>- Adequate systems are in place to manage statutory compliance across the residential and corporate Landlord portfolios with planned improvements to provide robust management</li> <li>- Appropriate performance monitoring and reporting to provide assurance via the Corporate Health and Safety Management Plan, the Departmental and Corporate Performance</li> </ul>

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
						reports, the Departmental and Corporate Health and Safety Committees and the Council's Corporate Assurance Board - Reports to Assurance Board every other month and corporate H&S committee every quarter
<b>CR11 - Housing</b> If there is a failure to deliver the housing strategy, then this will result in an inadequate supply of social and private sector properties within the borough.		<ul style="list-style-type: none"> <li>- Housing strategy in place, with teams and resources in place to deliver</li> <li>- Continually review policies to keep abreast of current climate and good practice</li> </ul>		<ul style="list-style-type: none"> <li>- Monitor housing delivery through the Housing Delivery Board</li> <li>- Regular meetings to monitor service delivery capacity among management and HR</li> <li>- We will continue to scan the horizon in order to prepare for major changes in the housing sector including: the introduction of a new Regulator for Social Housing Standards; and changes to the powers of the Housing Ombudsman such as enforcement action and a new compensation regime.</li> </ul>	Place	<ul style="list-style-type: none"> <li>- Housing Strategy published.</li> <li>- 3,500 council owned homes programme agreed.</li> <li>- Low Yield programme lead in place.</li> <li>- Proposals to intensify existing estate regen schemes in progress.</li> <li>- Meridian Water Phase 2 100% affordable housing out to procurement</li> <li>- Preparing to address the requirements to meet the regulatory standards. Reviewing complaints handling within the service – looking at organisational learning to make long term service improvements</li> </ul>
<b>CR12 – Major Capital Projects</b> If there is a failure of key schemes (Meridian Water, Electric Quarter, Joyce Avenue and Snells Park Estates, etc.) to regenerate the borough this will lead to a reputational damage and financial loss.		<ul style="list-style-type: none"> <li>- Close attention to recruitment and skills of council.</li> <li>- Using independent specialist advisors</li> <li>- Capital Board reporting</li> <li>- Ensure executive oversight of major schemes</li> <li>- Monthly risk reviews of all major projects</li> </ul>		<ul style="list-style-type: none"> <li>- Build in-house capacity to deliver GLA capacity funding</li> <li>- Ensure robust procurement controls and contact management by in house staff</li> <li>- Improve risk registers in housing development</li> </ul>	Place	Unchanged. There is a detailed risk register for Meridian Water that manages all risks and we are satisfied that the risk is still medium
<b>CR13 – Supply Chain/Contract management</b> The Council fails to effectively commission, procure and/or contract manage its key contractors or partners, leading to the Council being unable to deliver key services or		<ul style="list-style-type: none"> <li>- Contract Procedure Rules</li> <li>- P&amp;C Board</li> <li>- Commercial board</li> <li>- Training</li> <li>- London Tender Portal</li> <li>- Single Contract registers for the council</li> <li>- Reporting non-compliance to</li> </ul>		<ul style="list-style-type: none"> <li>- Review of Contract procedure rules</li> <li>- Review Training</li> <li>- Improvement plan to ensure consistent good practice across organisation</li> <li>- Ongoing review and improvement to the quality of the</li> </ul>	Resources	<ul style="list-style-type: none"> <li>- This risk continues to remain medium although the following work has been undertaken:</li> <li>- New CPR's implemented in July 2020 with supporting manual. Training carried out to support understanding of new CPR's.</li> <li>- Updated contract management guide has been put on the intranet. Training strategy to support the upskilling of staff in contract management</li> </ul>

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
demonstrate value for money.		audit committee - Performance monitoring		information held on contract register		drafted. Audit completed; implementation of actions ongoing. - Departmental contract boards – now up and running. Supplier Resilience programme started in Place to review impact of COVID-19 on supply chain.
<b>CR14 - Trading companies</b> If the Council's trading companies fail or perform poorly then this will result in significant reputational damage and financial loss.		- Line of delegation and reserve matters for LBE shareholder decisions - Quarterly reporting of company performance against business plan targets - Annual submission of company business plans - Governance review and action plan in place - Council member and officer presence on all company Boards		- Review Public Interest Reports from other authorities and draw up action plans for Enfield. - Review of SLA efficiency and effectiveness - State Aid compliance review - Document process for considering Energetik extensions - Expanding monitoring to separate HGL business units	Resources	- This risk continues to remain medium. Coronavirus risks have been managed by companies and have not to date impacted performance for most. - Separate risk register for the companies have been developed which will support risk monitoring. This is shared with Assurance Board on a regular basis. - Annual accounts have shown good progress for majority of companies against business plans.
<b>CR15 - Staffing</b> If the council is unable to recruit/retain highly skilled staff and/or those in high demand, then this will result in poor staff morale, reduced levels of service delivery, increased costs due to agency/interim staff and will impact statutory responsibilities.		- Recruitment & selection policies reviewed - Flexible working - Mentoring schemes - Regular review of the use of agency staff - Regular review of staff absence - Benefits package - Alternate rewards - Training and development - Recruitment & Selection training for managers is live. - Departmental CPD budgets established and sit within each department		- Reduce agency workers - Customer experience programme - Culture change project and forum - Social Work Apprenticeship - Staff Seminars - Technology to support flexible engaging recruitment practises.	Chief Executives	- Digital Service Strategy was discussed at SDB on 10 Nov 2020. ERP was agreed as the preferred organisational tool (Digital Services will take this forward and work with HR and Payroll) - The agency reduction strategy has been developed; and is now being implemented. Regular update and review meetings are taking place with senior officers and the Cabinet Lead for Finance to ensure compliance. - Future focus will include workforce planning, learning and development; and talent/succession planning. - A greater emphasis has been placed on supporting flexible working – which will also form part of 'Build the Change'. A draft 'Smart Working Policy' has been developed to support the new ways of working – giving greater flexible to working arrangements across the council. This would potentially attract more talent to the council. - Greater emphasis to be placed on using the

Risk Title & Description	Original Risk	Existing risk mitigations	Current Risk	Further Planned Actions	Lead Department	Update
						apprenticeship levy on existing staff - Regular reviews of MFS in line with labour market. -workforce strategy 2018- 21 is due to be refreshed to ensure the people element is integrated into the council plan
<b>CR16 - Financial Management</b> If the Council fails to maintain its financial controls and or has its Statement of Accounts (SOA) qualified, then it could suffer significant reputational damage with its partners (customers, residents, suppliers and public bodies). This is because the Statement of Accounts reflects that the Council is a 'going concern'		<ul style="list-style-type: none"> <li>- General Purposes Committee and Assurance Board review of audit actions</li> <li>- Director of Finance has oversight SOA</li> <li>- Plan of improvement reviewed and updated to Audit &amp; Risk Committee.</li> <li>- SOA - Bi-weekly meetings by 3 most senior finance officers</li> </ul>		<ul style="list-style-type: none"> <li>- Restructure in Corporate Finance to review opportunities to strengthen team</li> </ul>	Resources	<ul style="list-style-type: none"> <li>- General Purposes Committee to be updated monthly</li> <li>- Lead Member updated weekly</li> <li>- Schools have been updated with changes.</li> <li>- External audit underway</li> </ul>
<b>CR17 – Tax</b> As the Council has become more complicated in its commercial arrangements, the complexity of VAT, Corporation Tax and SDLT (Stamp Duty Land Tax) has grown. The risk to the council from getting the partial tax exemption wrong in any year is at least a £2m hit to revenue.		<ul style="list-style-type: none"> <li>- A new monthly tax meeting takes place.</li> <li>- A plan of improvement is being developed to ensure that VAT in particular is being robustly monitored and so that risks are flagged early.</li> <li>- Finance is now involved in most SDLT decision-making conversations.</li> <li>- A new mailbox has been created</li> </ul>		<ul style="list-style-type: none"> <li>- The Council plans to send out a formal email to all key officers, particularly project managers about the need to seek tax advice and to ensure that all projects are opted to tax.</li> <li>- SharePoint will be set up with all records in one spot for all of the Council so there is one version of the truth.</li> </ul>	Resources	The Tax Officer is reviewing and projecting future tax liabilities to assess the options to manage the partial VAT exemption under the 5% threshold.
<b>CR18 - Civil unrest</b> A confluence of significant events could cause tensions in the community that may result in violence causing injury, death, financial loss and property damage		<ul style="list-style-type: none"> <li>- A number of partnership meetings with the police enable a good flow of information sharing to highlight specific risks and provide an opportunity for the Council to contribute as part of wider local partnership- e.g. CCTV</li> </ul>		<ul style="list-style-type: none"> <li>- Development of pan London protocols to deal with unlicensed events. Targeted outreach, information sharing and a number of strategies including Community Safety Partnership Plan.</li> </ul>	People	There have been several unlicensed music events across London during the summer. London boroughs and the Metropolitan Police have agreed a protocol to respond to these. Public demonstrations in support of the Black Lives movement have taken place without incident.

Description (Cause & Effect of Risk)	Original Risk	Existing Risk Mitigations	Current Risk	Further Planned Actions	Lead Department	Linked Risks	Score
		which could impact on critical services -Public Health: Managers reporting any cases or suspected cases among staff to the Public Health team. SIT reporting mechanisms in place. MI portal adapted so that HR are receiving reports of both COVID and non-COVID related sickness.					
<b>CV04 - Staff Visits</b> There is an increased risk of staff being exposed to infection whilst attending care visits and appointments		-PPE available for staff -Covid risk assessments of work activities have been undertaken by managers detailing measures to take to minimise risk		-Corporate Health and Safety Team have reviewed COVID risk assessments and any revisions of them as requested by services -Managers responsible for keeping their COVID risk assessments under review and amend as needed (e.g. changes to work activity, legislation or guidance change)	Place	CR10 Health & Safety	
<b>CV05 - Financial Impact on Income</b> The pandemic may bring about an economic downturn, which could lead to a reduction in income as businesses and individuals become unable to meet their liabilities to the Council.		-Monitoring of income and continuing to follow robust yet sympathetic debt collection processes.		-We are in negotiations with central government to see how the impact of the suspension of business rates is to be mitigated. -We are ready to convene remote magistrates' courts to summons appropriately for Council Tax. This is expected to start with a small number of cases in January. -Courts have not yet agreed to summons for NNDR	Resources	BR05 Funding in the First Quarter post Brexit	
						BR14 Local Businesses	
						CR02 Failure to maximise income	
<b>CV06 - Financial Impact of Additional Expenditure</b> If the COVID-19 expenditure exceeds the organisation's financial reserves, then we will not have sufficient funds to support activities in the medium to longer term. There is also a risk that some/all financial savings for FY19/20 and FY20/21 may not be realised		-Process drawn up for tracking COVID-19 expenditure across the whole organisation (Finance). Latest budget position update should be available end of March -Authority report submitted to Director of Law & Governance to release £3m of reserves to cover current expenditure -Regular meetings taking place with North Central London group to support forecasting.		-North Central London Finance undertaking focussed work on Council Tax and Business Rates. -Undertaking scenario planning in the event that there's a shortfall in Government funding -Government funding continuing to be drip fed through. Currently £35.7m of support against £61.4m of cost/lost income. Lobbying and in discussion with MHCLG.	Resources	BR12 Welfare
