DECISION							
<p>AGREED</p> <ol style="list-style-type: none"> Note the refurbishment plans as set out in this report, including the enhancement of the Museum of Enfield, the cafe and performance spaces in the Dugdale Arts Centre. Approve the spend of £1.5million from existing capital budget approved as part of the 10-year Capital programme in February 2022 (KD5353). Delegate authority to the Director of Environment and Operational Services in consultation with the Executive Director – Resources to appoint contractors and consultants in accordance with Contract Procedure Rules as necessary to deliver the programme provided such appointments do not exceed the budget authorised in paragraph 2 above. 							
ALTERNATIVE OPTIONS CONSIDERED							
<ol style="list-style-type: none"> Not delivering these works – not possible given requirement to move doors and relocate full museum within Dugdale. Reduced scope of works – need to relocate museum, relocate door and create larger café-restaurant business that provides revenue return require substantial revision to services which forms the bulk of proposed costs, i.e., no reduction in scope possible. 							
REASONS FOR RECOMMENDATIONS							
<ol style="list-style-type: none"> To address the necessary requirement to make Museum of Enfield a central feature of Dugdale Arts Centre following relocation of some museum galleries from floor one of Thomas Hardy House to the ground floor and make improvements to the internal layout necessitated by move of main entryway. To create a full size, environmentally friendly commercial kitchen able to serve 75 covers with both daytime and evening café and 							

operation, providing a key revenue stream to support and enhance the centre's cultural operation.

3. To create an outward facing and engaging approach to the centre which makes clear this is an inviting cultural space and makes use of the surrounding public realm.
4. To retain the theatre and dressing rooms as-is and create new cultural spaces including permanent and temporary museum exhibitions, education space, pop-up retail point for local creative businesses, gallery area and flexible seating and performance areas.
