1. EXECUTIVE SUMMARY

This report provides the Health and Wellbeing Board with an update relating to:

1.1 Update on developing the North Central London Integrated Care System (ICS)

The attached slide deck summarises:

- The core purpose of an Integrated Care System and what the Integrated Care System means for our residents in the future delivery of person-centred care
- Building on the strong NCL partnership foundations to form the future ICS
- Governance and structures of the NCL Integrated Care System including the pace based partnerships in each borough
- Building resident and community voices at the heart of our ICS and Community involvement and representation at both an Integrated Care System and Borough Partnership level

1.2 Progress Update - Enfield Borough Partnership

The attached slide deck summarises:

- Initiative Working Groups - Mental Health, Inequalities, Screening & Immunisation and Access to Services, Recovery & Innovation.

- | |
|--|
| <ul style="list-style-type: none">• Leadership Centre workshops held in January and February 2022, to inform the development of the borough partnership and the transition to the NCL Integrated Care System, from 1st July 2022. |
| |

2. RECOMMENDATIONS

The Health and Wellbeing Board is asked to:

- Note the progress update for the development of the North Central London Integrated Care System informed by the presentation slides attached.
- Note the progress update for the Enfield Borough Partnership in 2021/ 22 and a summary of the recent workshops to inform the transition to the NCL Integrated care System and development of the place based partnership, facilitated by The Leadership Centre.
