<b>DECISION</b>							
<p>AGREED subject to not being called in:</p> <ol style="list-style-type: none"> <li>To agree the direct award of a single contract for the Domestic Violence Refuge and Independent Domestic Violence Advocacy (IDVA) service for a period of 12 months with an option to extend for a further 6 months starting from 3<sup>rd</sup> July 2022.</li> <li>The proposed contract will allow the Council to understand and assess the implementation of the new Domestic Abuse Act by the Greater London Authority and put arrangements in place to undertake the appropriate procurement activity.</li> </ol>							
<b>OPTIONS CONSIDERED</b>							
<ol style="list-style-type: none"> <li>Carry out full tender and let for a longer term – this was not preferred because the LGA’s implementation plan of the Domestic Abuse Act is not yet clear. Do nothing – this will leave the service to be run without a contract that will put the service and the Council at risk of any provider failure.</li> </ol>							
<b>REASONS FOR PROPOSAL</b>							
<ol style="list-style-type: none"> <li>The current contracts with the incumbent provider, Solace Women’s Aid, end on the 2<sup>nd</sup> July 2022.</li> <li>Following on from the Domestic Abuse Act 2021. The Mayoral Office has issued a draft Domestic Abuse Safe Accommodation Strategy, requesting that Refuges and IDVA’s are closer integrated to assist with move on and to assist survivor integrate back into the community.</li> <li>The Mayor’s Office for Policing and Crime (MOPAC) under the draft Domestic Abuse Safe Accommodation Strategy; are running</li> </ol>							

several pilot projects and evaluating all Domestic Abuse services across London.

Although additional funding of £20 million was identified for London in 2021/22, there is currently no clear indication as how refuges and IDVAs will be funded going forward. There is a consensus that the Strategy will be further developed following on from the outcome of the pilots and linked in with budgets.

In the interim, MOPAC has been keen that London boroughs do not disinvest spending pending any long-term strategy and funding changes following the Domestic Abuse Act

4. By delaying going to tender for these services, Enfield will be:

- i. In keeping with similar decisions by other local authorities,
- ii. In keeping with the request from MOPAC not to disinvest in Domestic Abuse services,
- iii. Fulfilling priorities in the Council Plan
- iv. Not committing to any long term contracts that could disadvantage the local authority going forward.

5. In order to ensure there is a contractual arrangement and continuity in place, the proposal is to make an interim arrangement with the incumbent provider for a further 12 months with an option to extend up to a further 6 months under a single contract.
