1. The Council should erect a plaque within the Borough to commemorate the 200th anniversary of the Parliamentary abolition of the transatlantic slave trade.

2. To ask the Council’s Communications Team to raise awareness of people trafficking through public information campaigns including articles in the Council magazine.

3. To ask the Education, Children’s Services and Leisure Department to investigate the use of the citizenship curriculum in schools to highlight the impact of people trafficking and how these issues can be addressed.

4. To ask the Council’s Community Safety Unit to work with the Police, the Council’s Licensing Team and other relevant agencies, to review and improve existing arrangements for shared intelligence about people trafficking in Enfield.

5. To ask the Council’s licensing officers to review their procedures around the issue of Special Treatment Licences in order to more effectively monitor, identify and prevent potential people trafficking-related crime.

6. To bring the Council working group’s report to the attention of Victim Support Enfield and other relevant agencies, with a view to asking those organisations to consider how they might improve the support offered to victims of people trafficking in Enfield when are referred or present themselves.

7. To ask the Council’s Community Safety Unit to work with Victim Support, Police and other agencies to arrange for dedicated training and guidance for all relevant sectors to take place, delivered by field experts.

8. To ask Enfield’s three MPs and MEP to raise the Council’s working group findings with relevant Government and European Ministers, and to seek Government support for a more joined-up and nationally-funded approach to tackling modern day people trafficking

9. To ask the Council’s representatives on relevant national and regional local government bodies and the Safer and Stronger Communities Partnership to support the development of programmes and actions designed to tackle people trafficking in order to encourage more agencies to address issues caused by human trafficking.

10. Refer the monitoring of performance against the recommendations above to the Overview and Scrutiny Panel.
