DECISION							
<p>AGREED subject to not being called in:</p> <ol style="list-style-type: none"> 1. This report seeks approval to run a Dynamic Purchasing System (DPS) for 5 years with a total cumulative contract value of awards of circa £600k. 2. This report also seeks approval to award contracts to successful companies under the DPS that meet the set criteria throughout the term of the DPS. 							
OPTIONS CONSIDERED							
<ol style="list-style-type: none"> 1. The Council could have awarded a contract to a single supplier, but this would not enable competition during the life of the council's printing requirements. Such a procurement would have resulted in a higher value single contract which would have inevitably been limited to the larger suppliers who can do all categories of work or require significant outsourcing of work. 							
REASONS FOR PROPOSAL							
<ol style="list-style-type: none"> 1. The previous print framework agreement expired and officers are currently awarding small value print jobs on an individual basis. 2. The Council has conducted a fully EU compliant procurement process that shall deliver good value and the flexibility to respond to changing requirements by the use of the DPS procured. 							
BACKGROUND							
Please note that a copy of the Part 1 report is available on the Council's democracy pages.
