

## London Borough of Enfield

Cabinet 14 September 2022

Council 21 September 2022

---

**Subject:** Scrutiny Annual Work Programmes 2022/23

**Director:** Terry Osborne

**Key Decision:** N/A

---

### **Purpose of Report**

1. This report and Appendices set out the draft work programmes for Overview and Scrutiny Committee (OSC) and the seven standing Scrutiny panels for 2022/23.

### **Proposal(s)**

2. Cabinet is being invited to comment on the Overview and Scrutiny Committee and Panels proposed work programmes, prior to approval by Council.

### **Reason for Proposal(s)**

3. The Council's Constitution requires that the scrutiny work programmes are adopted by Council on the recommendation of the Overview and Scrutiny Committee, following consultation with the Cabinet and the Executive Management Team (EMT).

### **Relevance to the Council Plan**

4. The Scrutiny Panels are focussed and aligned to areas where they can add most value to the delivery of the Council's plan.

### **Background**

5. The Overview and Scrutiny Committee and Scrutiny Panels set out their own work programmes for the year, taking into consideration wider consultation with Cabinet, Executive Management Team (EMT).
6. The seven scrutiny Panels are:
  - (i) Children, Young People and Education
  - (ii) Crime
  - (iii) Environment and Climate Action
  - (iv) Finance and Performance
  - (v) Health and Adult Social Care

- (vi) Housing
  - (vii) Regeneration and Economic Development
7. Membership of the Overview and Scrutiny Committee and the Scrutiny Panels were approved by Council, including Chair and Vice Chair
  8. Each of the Panels held a work planning meeting with the Cabinet member and Executive Director who were invited to attend and present their priorities. Following this presentation each Panel decides on a topic for the remaining scrutiny meeting for the year.
  9. Co-ordinating the Panels work programmes and ensuring there is no duplication across the panels is part of the function of OSC, therefore the work programmes will be considered by OSC on the 8 September 2022.
  10. Executive Management Team (EMT) and Cabinet are asked to comment on the work programmes, and these comments will be incorporated into the report to be considered by Council on the 21 September 2022.
  11. OSC and Scrutiny Panels are scheduled to meet a minimum of four times per year, however, it is likely that the OSC will meet more often to deal with call-ins and pre-decision Scrutiny.
  12. The Scrutiny work programmes will be sent to key stakeholders such as Health, Police and Enfield Voluntary Actions (EVA).

### **Main Considerations for the Council**

13. Members are asked to approve the Overview and Scrutiny and Scrutiny Panel work programmes.
14. Where there are overlaps in topic on the work programmes, OSC will agree which Committee/Panel will take the lead.

### **Safeguarding Implications**

15. None identified.

### **Public Health Implications**

16. There are no direct public health implications linked to this report, but rather what happens as a result of scrutiny.

### **Equalities Impact of the Proposal**

17. Equalities impact assessments relating to recommendations that scrutiny may make will be assessed through the scrutiny process.

### **Environmental and Climate Change Considerations**

18. There are no direct environmental or climate change implications linked to this report, but rather what happens as a result of scrutiny.

### **Risks that may arise if the proposed decision and related work is not taken**

19. There are no risks associated with this report.

### **Financial Implications**

20. Any cost implications of recommendations made from scrutiny must be contained within budgeted resources.

### **Legal Implications**

21. The Council has statutory duties within an existing legal framework to make arrangements for the scrutiny of its decisions and service delivery, including the areas of crime and health, which are covered within these recommendations.

22. The setting of the annual scrutiny work programme is a matter for the Council, following consultation with EMT, members and key stakeholders within an agreed protocol. These requirements are set out in the Council's Constitution.

### **Options Considered**

23. The Overview and Scrutiny Committee is required, under the Council's Constitution, to present an annual scrutiny work programme to Council for adoption.

### **Conclusions**

24. OSC is asked to agree the work programmes for OSC and the standing panels.
