### **Main Considerations for the Panel**

#### 5. *Summary*

- During 2021/22 children's services in Enfield had to respond to the challenges faced by children and families due to the Covid-19 pandemic by focusing on recovery and ensuring our services continued to deliver to the highest possible standards.
- National children's social worker shortages were also felt in Enfield.

- Challenges around staffing numbers in the year resulted in increased caseloads in some teams, senior leaders took effective action by investing in a range of workforce initiatives to stabilise staffing, reduce caseloads and build more capacity across services for example recruitment overseas, sabbaticals and retention payments.
- Leaders have worked constructively with partners to strengthen the response to exploitation, therapeutic support to unaccompanied minors and domestic abuse.
- This year we were one of 10 local authorities that took part in the Independent Review of Social Care helping to influence national reform.
- We rebooted our practice model Signs of Safety, developed a trauma informed parenting programme and transformed the Family Hub model in Enfield.
- Hearing the voice of those we work with, is a priority, leaders have ensured the voice of young people and staff has influenced the design of the future Children's Hub where all Children and Family's will be based late 2022.

We have also

- Made progress in catching up with health and dental checks for children in care that had been delayed due to the pandemic.
- Set up two adolescent safeguarding teams and a contextual safeguarding hub. Widened our contextual safeguarding approach to include bespoke work with parents. Created a youth panel to reduce re-offending and launched a social care and youth justice joint protocol.
- Increased participation of our young people with the relaunch of the care leavers hub and increased the number of care leavers on apprenticeship schemes.
- Redesigned key services such as Early Help which now sits with other preventions services such as youth and community, strengthening the delivery of our early intervention
- Undertaken more quality assurance exercises, including an internal review of the Leaving Care service, an audit peer review and a culture survey with staff to understand what it is like to work in the children and family's service.
