We are writing to inform you of the details of our next Town Ward Forum meeting which will be held on Monday 26 September, @7.00pm at the Civic Centre in the Conference Room.

AGENDA

1. Welcome
2. Notes from the last Forum and actions taken
3. Police Report
4. Proposals for Enfield Town
5. Wetlands on Chase Green
6. Councillor updates
7. Questions to councillors
8. Meeting to finish by 8pm

This, as we are sure you know, is a public meeting open to residents to ask any questions they may have of the ward councillors present, if you could provide questions in advance that would be helpful for us to get the information from officers if necessary.

We hope you can join us at this meeting. Please pass this invitation to any neighbours you think might be interested. An agenda will be sent soon.

Kind Regards

Mike
