1100 to 0100

Sunday &amp; Monday 1200 to 0000

The nature of the event stated being:

Christmas Celebrations

I wish to make representation to disallow this application under the licensing objective of

### **PREVENTION OF CRIME AND DISORDER**

For the reason that a search of the Police incident indices shows incidents of disorder and violence have occurred near the terminal time of the licensable activities from the premises and the premises have been identified as being a catalyst in that the suspects /perpetrators of this crime and disorder have been identified as visiting and or being present within the premises.

It is felt that the current terminal times for licensable activities is sufficient and extending these times will only lead to an increase in alcohol intoxication related incidents of a violent nature with patrons having extended drinking periods into the small hours of the morning .This has shown in the past to be a draw on Police resources having to respond to the disorder in the street with reports of assaults being prevalent.

From these incidents it can be shown that in a short period of time in or around the terminal time for licensable activities for these premises crime and disorder in the form of assaults and violence break out. It is also worthy of note that there are residential premises in and around this location and any extended hours would impact upon the quiet enjoyment of their premises into the small hours when they are sleeping .

It is felt by the Police that a request to further extend the terminal hours for licensable activity to 0300 hours in light of the incidents would further act as a crime generator with this sort of alcohol fuelled violent behaviour leading to further crime and disorder .We therefore oppose this application.

Officer: Derek Ewart PC1277NA

Licensing Officer Haringey and Enfield Police

Date: 02/12/2022

**Late Night Refreshment**

<b>Sunday</b>	<b>23:00-00:00</b>
<b>Monday to Thursday</b>	<b>23:00-00:00</b>
<b>Friday to Saturday</b>	<b>23:00-01:30</b>

I wish to make representation relating to the LATE TEN application under the licensing objective of

**PREVENTION OF CRIME AND DISORDER**

For the following reason:

A search of the Police systems shows incidents of disorder and violence have occurred near the terminal time of the licensable activities from the premises and the premises have been identified as being a catalyst in that the suspects /perpetrators of this crime and disorder have been identified as visiting and or being present within the premises.

It is felt that the current terminal times for licensable activities is sufficient and extending these times will only lead to an increase in alcohol intoxication related incidents of a violent nature with patrons having extended drinking periods into the small hours of the morning .This has shown in the past to be a draw on Police resources having to respond to the disorder in the street with reports of assaults being prevalent

From these incidents it can be shown that in a short period of time, in or around the terminal time for licensable activities for these premises, crime and disorder in the form of assaults and violence break out is on the increase. It is also worthy of note that there are residential premises in and around this location and any extended hours would impact upon the quiet enjoyment of their premises into the hours when the residence are sleeping .Additionally the premises are within an enclosed market square whereby noise carries off the surrounding buildings and patrons leaving at 0300 hours would create a public nuisance with the noise and the proximity to nearby residential properties.

It is felt by the Police that a request to further extend the terminal hours for licensable activity respectively to 0100 and 0300 hours, in light of the incidents revealed would further act as a crime generator with this sort of alcohol fuelled violent behaviour leading to further crime and disorder .We therefore oppose this application.
