

# Asks for Enfield HWBB

- Review and provide feedback on the current version of the NCL Population Health and Integrated Care Strategy
- Provide feedback on slide 10, specifically whether Enfield's Joint Health and Wellbeing Strategy is accurately summarised and feedback on the common themes
- Provide feedback on JFP guidance and approach, and how it could support the delivery of Enfield's Joint Health and Wellbeing Strategy
- Agree the preferred level and method of engagement moving forward as work continues to develop the JFP, including a request to return to the HWBB closer to 30<sup>th</sup> June for sign off
