Create Enfield Criteria

Create Enfield is interested in commissioning and supporting projects that meet the following criteria:

- Projects that are site responsive and relate to a **specific place**, for example a wall, park, high street or neighbourhood
- Projects that offer genuine **community collaboration**, such as offering residents the opportunity to creatively participate, feedback on designs or take part in creative decision making processes
- Projects that provide opportunities to grow **creative capacity**, such as professional development for an Enfield-based artist or creative, or skills development opportunities for participants, including young people through workshops and artists talks

Shay Press: Public Artwork for Skate Park

A mural of a skateboarder in a black hoodie and green pants, holding a purple balloon, painted on a white brick wall. The skateboarder is in a dynamic pose, as if performing a trick. The wall has some graffiti, including a green cross and a black cross.
